

SAMWU CAPE METRO REGION

HAMBA KAHLE COMRADE BOSS

“What I want to know is why was I the only one at that airport who had to go through this? I want to return to a one state democratic Palestine and not a Bantustan homeland, next time I go back. Any two state solution will simply be a Bantustan solution”

These were the words of comrade Xolile “Boss” Nxu when subjected to inhumane treatment by Israeli security police, including being stripped naked, following a 2007 visit to the Israeli occupied Palestine. He was a tireless fighter for the right of Palestine to rightfully reclaim their land taken by the US supported Israeli Apartheid regime. Sadly, comrade “Boss” has not lived to see the Palestine state he so longed for. The struggle continues!!!!
